Classes and staff

Thank you for your patience in the first week and a half while students were still enrolling and classes were formed. The students have settled in really well into their new classes and Kindergarten is enjoying being at ‘big’ school.

Our students numbers are close to another class being formed. Unfortunately, Department of Education and Communities requirements mean that the class cannot be formed and a teacher appointed until the students are actually enrolled. If several more students enrol, it would necessitate a restructure of some existing classes but we will keep you well informed if this needs to happen.

Staff and classes for Term 1 are:

Executive
Mrs Deborah Blackwell Principal
Mr Martin McDonald Deputy Principal
Mrs Gayle Henwood Assistant Principal - Kindergarten
Mrs Susanne Lakeman Assistant Principal - Yrs 1 and 2

School swimming carnival

The rain stayed away long enough for us to squeeze our annual swimming carnival in at Nirimba Pool last week. The students in Years 3-6 and selected Year 2 students had a wonderful day participating in swimming races and novelty events. Student behaviour was exceptional which is what we expect from students at JPPS.

Congratulations to Mrs Lakeman for her organisation of such an outstanding carnival and thank you to the rest of the staff and parent helpers for their support on the day. It was fantastic!

The overall winner of the carnival was Ellis but the difference in points between 1st and 4th place is diminishing each year.

Congratulations to the following students for their great results in the races:

The Ridges zone swimming carnival
The zone carnival was held yesterday at Blacktown Pool and students at JPPS had their best swim meet ever! Our students were fantastic – well behaved, encouraging and swam their absolute best!

A huge congratulations to Elijah S. who will represent our school at the upcoming Sydney West Carnival following his 3rd placement in his 50m freestyle final.

The stand out star of the whole carnival was our very own Emily B P who blew the competition out of the water with her 1st in 50m backstroke, 1st in 50m freestyle, 1st in 50m breaststroke, 1st in 50m butterfly and 1st in Jnr Individual Medley. To top off an awesome meet, Emily also broke The Ridges record for 50m breaststroke by 2 seconds. Emily will also represent JPPS at the Sydney West Carnival following her phenomenal effort today.

Thank you to our wonderful team, including Mrs Checkley (team manager), Mr Vincent (official), Mrs Butler (official) and the many family members who assisted with transport and did a great job in supporting our team. Before the team even got back to school, Mrs Blackwell was receiving calls from Principals from neighbouring schools offering their congratulations on a job well done!

Extremely Important Notice
We currently have a number of students enrolled at our school who suffer from anaphylaxis. Anaphylaxis is a life threatening allergic reaction to certain foods. In all cases, the trigger food is peanuts/nuts.

We are therefore requesting that students assist us in keeping all students safe by not bringing foods to school which contain peanuts/nuts as one of the listed ingredients eg. peanut butter, nutella.

Many products contain a warning that they may contain traces of peanut or nuts and these are fine to bring to school.

Anaphylaxis
The Department of Education and Communities has recently announced that all government schools will receive a general use adrenaline autoinjector (an EpiPen) for their first aid kit.

This does not replace the need for parents to continue to provide the school with an adrenaline autoinjector and ASCIA Action Plan for Anaphylaxis signed and dated by their doctor when their child has been diagnosed with anaphylaxis.

Instead the general use adrenaline autoinjector is intended to be used if:
- An undiagnosed student has an anaphylactic reaction at school
- There is a misfire of the adrenaline autoinjector that has been prescribed for a student
- A student requires further adrenaline autoinjector to be administered after his or her own adrenaline autoinjector has been administered.

Please contact the school if you would like further information in relation to this matter.

All of our staff members have recently undergone e-training in anaphylaxis and also face to face training with an anaphylaxis nurse educator to ensure we are up to date with current practice.

Birthday cakes
Some families like to send cake or a special treat on or near their child’s birthday to share with the class. It is important that if you would like to do this, that the cake or treat is already in individual portions (eg donuts or cupcakes) or a large cake that is already pre-sliced. Please also send a class set of serviettes or a roll of paper towels to assist with serving.

Due to the large number of students we now have in our school with food allergies, cakes and treats will not be shared unless a list of ingredients has been provided. Many of the prepackaged cakes from major supermarkets contain a list of ingredients and the bakery section is happy to provide you with a list if it is not already on the product.

In order to avoid disappointing your child, please ensure that the ingredient list is provided.

Uniform review
A school uniform consists of clothing, headwear and footwear which identifies students as belonging to a particular school. Schools expect students to wear their uniform during school hours, while travelling to and from school, and when engaged in school activities outside of school hours.
For the past five years, students at John Palmer Public School have worn their uniform with pride. As a newly established school, our uniform played a significant part in developing the culture of the school. The community perception of John Palmer Public School is extremely high, and the appearance and consistent wearing of our school uniform has contributed significantly to this. Whenever our students are out in public, compliments about our uniform are plentiful. Almost all of the visitors to the school also comment positively on our uniform.

The John Palmer Public School uniform was decided on following consultation with our stakeholders when the school was established. It is a requirement of the NSW Department of Education and Communities that the school uniform is reviewed at the conclusion of each five year period to ensure that it continues to reflect the school community standards and expectations.

A uniform survey is being made available to all members of the school community (students, parents, staff). The parent survey can be accessed through the link on our website under ‘Latest News and Features’. All required information must be provided. Only one survey per family will be accepted. The closing date for the survey is Friday 8 March at 3pm. Surveys submitted after this time will not be considered. Thank you in anticipation of your response.

Phoning the office
Our school office is extraordinarily busy between 8.30 and 9.30am and 2.30 and 3.30pm. If you need to phone the office it would be greatly appreciated if you could do so outside of these peak times unless it is an emergency.

You might like to try our new app for notifying of a child’s absence or making an appointment with a teacher rather than ringing us or waiting in the long office queue.

Dogs at school
Dogs and other animals are not permitted on the school grounds at any time without prior written approval from the Principal.

Parents who walk their dog to school need to be mindful that many children, particularly the younger ones, are terrified of dogs. Please keep well away from the gates and busy areas if you have your dog with you.

Copies
School personnel invest a significant amount of time in printing and providing receipts for payments, student reports, NAPLAN reports and the like in hard copy format.

It is important that families value these documents and keep them in a secure place for future reference such as tax time and moving on to high school. Additional copies of these items will incur a $2 printing and administration fee per page so please keep the originals safe.

Update bulletin
Our ‘Update’ bulletin will be available on our website at www.johnpalmer-p.schools.nsw.edu.au on the following Fridays in Term 1. Remember that you can also access the newsletter easily through our app.

Excellence assemblies
Our Excellence Assemblies are held on Fridays in the hall, commencing at 11.30am. Parents and carers of the class presenting the assembly are welcome to join us.

Excellence Assemblies give us an opportunity to publicly recognise students within our school who are achieving great things in learning, sport, the arts and citizenship.

Younger siblings are welcome at the assembly but must be under direct parent supervision (in pram, on a lap, or the seat next to you) at all times. Please do not allow your child to play outdoors while the assembly is on. As a courtesy to the class presenting the assembly, we ask that the audience is quiet. These simple requests should ensure that our Excellence Assemblies are excellent!

K-2 Excellence Assemblies for Term 1:
- 8 March - 1P
- 22 March - 2D
- 5 April - KB

Year 3-6 Excellence Assemblies for Term 1:
- 15 March - 3V
- 28 March (Thurs) - 4/5K
