Student reports
Student reports for Semester One will be sent home with your child next Monday, 22nd June.

Our reports are based on the Department of Education and Communities Policy, Curriculum Planning and Programming.
Press the icon once – it will open automatically
When prompted, select yes to receive notifications and use your location. This will make sure Google Maps and pop-up alerts work for you.

Having trouble?
- Shut down the app and/or your phone to refresh the phone’s memory
- Uninstall the app and reinstall it

Anaphylaxis
All Department of Education and Communities schools have a general use adrenaline autoinjector (an EpiPen) in their first aid kit.

This does not replace the need for parents to continue to provide the school with an adrenaline autoinjector and ASCIA Action Plan for Anaphylaxis signed and dated by their doctor when their child has been diagnosed with anaphylaxis.

Please contact Luke Hogan (Deputy Principal) if you would like further information in relation to this matter.

Extremely Important Notice
We currently have a number of students enrolled at our school who suffer from anaphylaxis. Anaphylaxis is a life threatening allergic reaction to certain foods. In all cases, the trigger food is peanuts/nuts.
We are therefore requesting that students assist us in keeping all students safe by not bringing foods to school which contain peanuts/nuts as one of the listed ingredients eg. peanut butter, nutella.

Several of our students are highly anaphylactic so we ask that students who have eaten nut products, including nutella and peanut butter for breakfast, wash their face and hands thoroughly before coming to school.

Many products contain a warning that they may contain traces of peanut or nuts and these are fine to bring to school.

Birthday cakes
Some families like to send cake or a special treat on or near their child’s birthday to share with the class. It is important that if you would like to do this, that the cake or treat is already in individual portions (eg donuts or cupcakes) or a large cake that is already pre-sliced. Please also send a class set of serviettes or a roll of paper towels to assist with serving.

Due to the large number of students we now have in our school with food allergies, cakes and treats will not be shared unless a list of ingredients has been provided. Many of the prepackaged cakes from major supermarkets contain a list of ingredients and the bakery section is happy to provide you with a list if it is not already on the product.

In order to avoid disappointing your child, please ensure that the ingredient list is provided.

Phoning the office
Our school office is extraordinarily busy between 8.30 and 9.30am and 2.30 and 3.30pm. If you need to phone the office it would be greatly appreciated if you could do so outside of these peak times unless it is an emergency.

We encourage the use of our app for notifying of a child’s absence or making an appointment with a teacher.

Dogs at school
Dogs and other animals are not permitted on the school grounds at any time without prior written approval from the Principal.
Parents who walk their dog to school need to be mindful that many children, particularly the younger ones, are terrified of dogs. Please keep well away from the gates and busy areas if you have your dog with you.

Copies
School personnel invest a significant amount of time in printing and providing receipts for payments, student reports, NAPLAN reports and the like in hard copy format.

It is important that families value these documents and keep them in a secure place for future reference such as tax time and moving on to high school. Additional copies of these items will incur a $2 printing and administration fee per page so please keep the originals safe.

Excellence assemblies
Our Excellence Assemblies are held on Fridays in the hall, commencing at 11.30am. Parents and carers of the class presenting the assembly are welcome to join us.

Excellence Assemblies give us an opportunity to publicly recognise students within our school who are achieving great things in learning, sport, the arts and citizenship.

Younger siblings are welcome at the assembly but must be under direct parent supervision (in pram, on a lap, or the seat next to you) at all times. Please do not allow your child to play outdoors while the assembly is on. As a courtesy to the class presenting the
assembly, we ask that the audience is quiet. These simple requests should ensure that our Excellence Assemblies are excellent!
