Term 3 Week 1

Awards
In consultation with the JPPS P&C, we are currently in the process of revamping our award system to align it with our core values - integrity, excellence and innovation.

Teachers have begun training in the new system and preliminary discussions have been had with students and they are very excited.

An information leaflet will be sent home to parents in the coming weeks with all of the information you need along with a date from which we will switch to the new system. Until then, our current awards will continue to be given out as normal.

Education Week (27-31 July)
Education Week is a time to celebrate our students’ achievements and the learning that takes place at John Palmer Public School. We would like to extend a warm invitation to you and your family to join us for our Education Week activities. Details will be sent home in a separate note on Monday of next week. A summary is provided in the calendar at the end of this newsletter.

Have you met our debating team?

The JPPS debating team is made up of five students: Violeta, Lauren, Milana, Emily and Tamanpreet. The team is part of ‘The Premiers Debating Challenge’ and we have the opportunity to debate against other schools in the area.

We attended a Debating Workshop where we learnt what debating was about and how to debate using methods. We meet up once a week to learn, practice, and prepare for future debates. Our first debate was against Barnier Public School, and our team was fortunate enough to win. The topic was ‘that students in year 5 and 6 should be allowed on social media sites such as Facebook and Twitter’. Our second debate was against Toongabbie Public School and again, we were successful! The topic was ‘that homework should be banned for primary school students’. I look forward to our future debates and representing our school.

Since then we have had two more debates and are currently undefeated.

Year 6 excursion to Canberra
Year 6 students from our school will soon be undertaking an education tour of our national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate (PACER) program towards these costs. The rebate is paid directly to the school upon completion of the excursion.

The $20 has already been deducted from the cost parents have been asked to pay for this excursion.

Winter PSSA Report
Due to the wet weather, there was no PSSA today. For draws and previous results please visit The Ridges website: www.ridgespssa.com.au

Atrin
This is Atrin. She is an amazing violinist and will be performing at the Sydney Opera House in August as part of the Festival of Instrumental Music. What an amazing achievement!
Application for extended leave
From the beginning of 2015, the Department of Education (and therefore JPPS), no longer accepts family holidays and travel as reasons for exemption from school. These absences are now considered as absences and an application for a Certificate of Extended Leave for Travel must be applied for through the school office. The application needs to be made a minimum of ten school days before travel and documentation such as air/ ship/ train ticket, accommodation confirmations or a travel itinerary for domestic travel must be provided.

Free courses for parents
Some great courses for parents are being offered at the moment through external agencies. Information about them is available through our website – www.johnpalmer-p.schools.nsw.edu.au From the start up page, select the ‘Parent Courses’ tab and then click on the appropriate link.

Anaphylaxis
All Department of Education and Communities schools have a general use adrenaline autoinjector (an EpiPen) in their first aid kit.
This does not replace the need for parents to continue to provide the school with an adrenaline autoinjector and ASCIA Action Plan for Anaphylaxis signed and dated by their doctor when their child has been diagnosed with anaphylaxis.

Please contact Luke Hogan (Deputy Principal) if you would like further information in relation to this matter.

Due to the large number of students we now have in our school with food allergies, cakes and treats will not be shared unless a list of ingredients has been provided. Many of the prepackaged cakes from major supermarkets contain a list of ingredients and the bakery section is happy to provide you with a list if it is not already on the product.

In order to avoid disappointing your child, please ensure that the ingredient list is provided.

Phoning the office
Our school office is extraordinarily busy between 8.30 and 9.30am and 2.30 and 3.30pm. If you need to phone the office it would be greatly appreciated if you could do so outside of these peak times unless it is an emergency.

We encourage the use of our app for notifying of a child’s absence or making an appointment with a teacher.

Dogs at school
Dogs and other animals are not permitted on the school grounds at any time without prior written approval from the Principal. Parents who walk their dog to school need to be mindful that many children, particularly the younger ones, are terrified of dogs. Please keep well away from the gates and busy areas if you have your dog with you.

Copies
School personnel invest a significant amount of time in printing and providing receipts for payments, student reports, NAPLAN reports and the like in hard copy format.

It is important that families value these documents and keep them in a secure place for future reference such as tax time and moving on to high school. Additional copies of these items will incur a $2 printing and administration fee per page so please keep the originals safe.

Update bulletin
Our ‘Update’ bulletin will be available on our website at www.johnpalmer-p.schools.nsw.edu.au on the following Fridays in 2015. Remember that you can also access the newsletter easily through our app.

Excellence assemblies
Our Excellence Assemblies are held on Fridays in the hall, commencing at 11.30am. Parents and carers of the class presenting the assembly are welcome to join us.

Birthday cakes
Some families like to send cake or a special treat on or near their child’s birthday to share with the class. It is important that if you would like to do this, that the cake or treat is already in individual portions (eg donuts or cupcakes) or a large cake that is already pre-sliced. Please also send a class set of serviettes or a roll of paper towels to assist with serving.

Several of our students are highly anaphylactic so we ask that students who have eaten nut products, including nutella and peanut butter for breakfast, wash their face and hands thoroughly before coming to school.

Many products contain a warning that they may contain traces of peanut or nuts and these are fine to bring to school.
Excellence Assemblies give us an opportunity to publicly recognise students within our school who are achieving great things in learning, sport, the arts and citizenship.

Younger siblings are welcome at the assembly but must be under direct parent supervision (in pram, on a lap, or the seat next to you) at all times. Please do not allow your child to play outdoors while the assembly is on. As a courtesy to the class presenting the assembly, we ask that the audience is quiet. These simple requests should ensure that our Excellence Assemblies are excellent!

Assemblies will be hosted by the following classes in 2015:
