STAGE 1 REQUIREMENTS FOR 2012

Dear Parents/Carers,

Over the school holidays you may wish to prepare your child for Stage 1 in 2012. The following equipment will be needed:

- a small pencil case (large pencil cases take up too much room on the desks)
- 2 lead pencils
- coloured pencils or crayons
- glue stick
- sharpener
- eraser
- 2 wallet folders (for worksheets done at school)
- scissors are optional

Textas and liquid paper are not permitted at school.

Please use the time over the coming school holidays to ensure that your child has the correct equipment for class.
